Dear Mr al-Ganmi

RE: SSA Ref: 16/G/103
HREC / AURED Ref: 16/085 HREC/16/POWH/218
Project Title: Behaviour change interventions to improve medication adherence in patients with cardiac disease.

I refer to your Site Specific Assessment application for the above titled Low/Negligible Risk research project. I am pleased to advise that on 28 June 2016 by the delegated authority of the Chief Executive, I granted authorisation for the above project to commence at the Prince of Wales Hospital.

The following conditions apply to this research project. These are additional to any conditions imposed by the Human Research Ethics Committee that granted ethical approval:

1. Proposed amendments to the research protocol or conduct of the research which may affect the ethical acceptability of the project, and are submitted to the lead HREC for review, are copied to the Research Governance Officer.
2. Proposed amendments to the research protocol or conduct of the research which may affect the ongoing site acceptability of the project are to be submitted to the Research Governance Officer.

If you have any queries relating to the above please contact the Research Support Office on 9382 3587.

Yours sincerely

Dr Tali Leizer
Research Governance Officer
