

12 October 2016

Miss Nienke Zomerdijk
Royal Brisbane & Women's Hospital; School of Medicine

Dear Miss Zomerdijk,

Clearance Number: 2016001438 / (HREC/16/QRBW/207)
Project Title: "The Psychosocial Impact of Allogeneic Stem Cell Donation on Adult Sibling Donors"

Following administrative review of the human research ethics approval from the Metro North HHS HREC dated 01/08/2016 (HREC/16/QRBW/207), I am pleased to advise that, as the University of Queensland's authorised delegate for the University of Queensland's Human Research Ethics Committees A & B, approval is granted for this project.

The approved documents include:

Document	Version	Date
Covering Letter NEAF AU/1/9E36212		30/05/2016
Letter of Support from Pathology Queensland		22/04/2016
UQ Offer of Scholarship Support for Master of Philosophy		01/12/2015

Questionnaire 2 - Sibling Donor	1.1	12/05/2016
Questionnaire 3 - Sibling Donor	1.1	12/05/2016
Questionnaire - BMT Coordinator	1.1	12/05/2016
Response to Request for Further Information, Protocol		28/07/2016
Master Participant Information Sheet & Consent Form - Sibling Donor	1.2	27/07/2016
Master Participant Information Sheet & Consent Form - BMT Coordinator	1.2	27/07/2016

Pathology Queensland Declaration by Laboratory Director & Quotation		08/07/2016 & 11/07/2016
---	--	----------------------------

This project has been approved to 1st August 2019.

We would like to take this opportunity to remind you that, should any modifications be made to this project, they will need to be approved by the lead human research ethics committee prior to being forwarded to the University of Queensland's Human Ethics Office for administrative review and approval.

Please keep a copy of this document for your records.

Yours sincerely,

Nicole Shively
Deputy Director, Research Management Office
Research Ethics Operations
The University of Queensland
